Dear Charlie:

Upon my return from a brief holiday I found your letter of December 20 on my desk.

I appreciate your bringing the NPA case study of the Creole Petroleum Corporation's operations in Venezuela to my attention. I have referred this study to some of our specialists here who were also interested in reading it.

I would like to take this occasion to thank you for previous NPA case studies which your office has been sending me on a regular basis. The appropriate Decks here have found them all of great interest.

With very best wishes.

Sincerely,

Allen W. Dulles
